Want to increase your adoptions? We can help!

Adopt-a-Pet.com

We're North America's largest non-profit pet-adoption web service and we reach millions of potential pet adopters each month! Join over 9,500 animal organizations who post their pets on Adopt-a-Pet.com. We know how to market your adoptable pets... and our features work. Check out a tour of what we offer (and read reviews from the shelters and rescues who use our service) at www.adoptapet.com/tour.

Volunteers waiting to help you!

Search our volunteer database of over 17,000 volunteers of all kinds, including foster homes! You can get notified via email when new volunteers sign up in your area, and even email a whole list of volunteers with just one click.

Your pets seen all over the internet!

Your pets can be automatically seen in pet searches on our partners' web sites. Currently, pets posted to Adopt-a-Pet.com can also be seen on Purina websites like MightyDog.com and Petcentric.com, and also on MarthaStewart.com, PetSmart.com, and others! New partner sites are added all the time.

Search Saver Email

Every time you post a new pet for adoption on Adopt-a-Pet.com, we email that pet's photos and information out to potential adopters in your area who have told us they're looking for that exact type of pet to adopt. We send out over 1.5 million of these emails each month. Imagine what that kind of proactive pet marketing will do for your adoption rates!
